

CURRICULUM VITAE

3-21-2022

PERSONAL INFORMATION

Name John M. Rayhack, M.D.

Business Address The Wrist and Hand Center of Tampa
4728 N Habana Avenue - Suite 204
Tampa, Florida 33614

Business Telephone (813) 879-7478

Birth date: November 10, 1950
Birthplace: Passaic, New Jersey
Marital Status: Married

TRAINING AND EDUCATION:

College: Bucknell University, Lewisburg, Pennsylvania
B.A. Chemistry - May 28, 1972

Medical School: New Jersey Medical School
Newark, New Jersey
M.D., July 1, 1978

Residency: General Surgery
New Jersey Medical School
Newark, New Jersey
July 1, 1978 - June 30, 1979

Orthopedic Surgery
University of South Florida College of Medicine
Tampa, Florida
July 1, 1979 - June 30, 1983

Fellowship: Hand and Microvascular Surgery
Mayo Clinic
Rochester, Minnesota
June 25, 1983 - June 30, 1984

Faculty Position: Assistant Professor of Orthopedic Surgery
University of Kansas Medical Center
Kansas City, Kansas
July 1, 1984 - June 30, 1985

Associate Professor of Orthopedic Surgery
University of South Florida College of Medicine
Department of Orthopedics and Rehabilitation
Division of Hand and Microsurgery

Tampa, Florida July 1, 1985 - August 7, 1989

Clinical Associate Professor of Orthopedic Surgery
University of South Florida College of Medicine
Department of Orthopedics and Rehabilitation
Tampa, Florida August 8, 1989 - March 7, 1991

Clinical Associate Professor of Orthopedic Surgery
University of South Florida College of Medicine
Department of Orthopaedics and Rehabilitation
Tampa, Florida - March 7, 1991 - January 1995

BOARD CERTIFICATION:

Orthopedic Surgery, July 26, 1986
Written: Pass - 84th percentile
Oral: Pass

BOARD RECERTIFICATION:

Orthopedic Surgery, July 1996
Practice Based Oral: Pass

Orthopedic Surgery July 2006
Practice Based Oral: Pass

Orthopedic Surgery, July 2015
Practice Based Oral: Pass Valid to December 31, 2026

MAINTENANCE OF CERTIFICATION:

Participating in MOC and current.
American Board of Orthopedic Surgery

TRUSTEE:

Appointed Trustee:
Foundation of the American Society for Surgery of the Hand
September 2006. - September 2008

CERTIFIED EXPERT MEDICAL EXAMINER:

Certified: October 19, 2012
Valid Through January 31, 2023

SOCIETY MEMBERSHIPS:

Mayo Clinic Hand Club Membership
July 1, 1984 - present

Fellow of the
American Academy of
Orthopedic Surgeons Membership
February 4, 1988 - present

American Society For
Surgery of the Hand Membership
September 14, 1988 - present

Florida Hand Society Membership – 1986

Florida Orthopedic Society Membership renewal January 2007- present

Kiros Society For President [1988-1993] and Founder
Hand Research Membership-September 1988

HONORS/AWARDS:

Omicron Delta Kappa-Men's Leadership Honorary Society, Bucknell University, Lewisburg, Pennsylvania, 1971.

University of South Florida College of Medicine - 1st. Prize, Student & Resident Research Award-1983. "A Strain Recording Model-Analysis of Transverse Osteotomy Fixation in Small Bones".

Florida Orthopedic Society - 1st. Prize, Resident Presentation Award, October 1979. "Flexor Tenosynovitis-An Analysis of Etiological Factors and Treatment Procedures".

American Society for Surgery of the Hand - Science and Industry Exhibit. Best Presentation, Toronto, Canada, September, 1990. "Oblique vs. Transverse Ulnar Shortening Osteotomy - A Clinical and Biomechanical Study".

Elected to Who's Who of American Inventors 1992-1993 for U.S. Patent #5042983 "Precision Bone Cutting Guide".

Elected to The Best Doctors in America 2003. Tampa Bay Metro Magazine August/September 2003.

Elected to The Best Doctors in America 2004. Tampa Bay Metro Magazine, August 2004.

Elected to The Best Doctors in America 2005. Tampa Bay Metro Magazine, August 2005.

Elected to The Best Doctors in America 2006. Tampa Bay Metro Magazine, August 2006.

Elected to The Best Doctors in America 2007. Tampa Bay Metro Magazine, August 2007.

Elected to The Best Doctors in America 2008. Tampa Bay Metro Magazine, August 2008.

Elected to The Best Doctors in America 2009. Tampa Bay Metro Magazine, August 2009.

Elected to The Best Doctors in America 2010. Tampa Bay Metro Magazine, August 2010.

Elected to The Best Doctors in America 2011. Tampa Bay Metro Magazine, August 2011.

Elected to The Best Doctors in America 2012. Tampa Bay Metro Magazine, August 2012.

Elected to The Best Doctors in America 2013 Tampa Bay Metro Magazine, August 2013.

Elected to The Best Doctors in America 2014 Tampa Bay Metro Magazine, August 2014

Elected to The Best Doctors in America 2015 Tampa Bay Metro Magazine, August 2015

Elected to The Best Doctors in America 2016 Tampa Bay Metro Magazine, December 2015 January 2016 #1 Hand Surgery

Elected to The Best Doctors in America 2017 Tampa Bay Metro Magazine, December 2016 January 2017 #1 Hand Surgery

Elected to The Best Doctors in America 2018 Tampa Bay Metro Magazine, December 2017 January 2018 #1 Hand Surgery

Elected to The Best Doctors in America 2019 Tampa Bay Metro Magazine, December 2018 January 2019 #1 Hand Surgery

Elected to The Best Doctors in America 2020 Tampa Bay Metro Magazine, December 2019 January 2020 #1 Hand Surgery

Elected to The Best Doctors in America 2021 Tampa Bay Metro Magazine, December 2020 January 2021 #1 Hand Surgery

CIVIC AND PUBLIC SERVICE ACTIVITIES:

Habitat for Humanity -Volunteer

NATIONAL COMMITTEES:

Hand Therapy Committee - American Society for Surgery of the Hand, 1990-91

Residents' and Fellows' Conference Committee - American Society for Surgery of the Hand - 1990-91

Wrist Terminology Committee - American Society for Surgery of the Hand - Wrist Investigators - July, 1990

Computer Uses Committee - American Society for Surgery of the Hand - 1990-1995

Clinical Assessment Committee- American Society for Surgery of the Hand

STATE LICENSE:

Florida	34738 - June 29, 1979 to 1-31-2023
Minnesota	27965 - August 6, 1983 (Inactive)
Kansas	20783- (Inactive)

INVENTIONS AND PATENTS:

<u>Bone Compression and Distraction Device</u> United States Patent #4,929,247	Issued May 29, 1990
<u>Precision Oblique Ulnar Osteotomy Guide</u> United States Patent #5,042,983	Issued August 27, 1991
<u>Precision Bone Cutting Guide</u> United States Patent #5,176,685	Issued January 5, 1993
<u>Radial Malunion Distractor System</u> United States Patent # 6,007,535	Issued December 28, 1999
<u>"Pass Through"™ Plate Bender</u>	May, 1994
<u>SUPerPRO™ Pronation-Supination Measurement Goniometer</u>	June 1993
<u>Hand Center Program</u> Electronic Medical Record System	August 1991

CREATIVE NON-PUBLISHED WORKS:

Medical illustrations

PRESENTATIONS:

Flexor tenosynovitis - An analysis of etiological factors and treatment procedures.
Florida Orthopaedic Society, Amelia Island Plantation, Jacksonville Florida, October 1979.

A strain recording model: Analysis of transverse osteotomy fixation in small bones. 38th Annual Meeting American Society for Surgery of the Hand, Anaheim, California, March 7, 1983.

A strain recording model: Analysis of transverse osteotomy fixation in small bones.
American Fracture Association, Clearwater, Florida, April 20, 1983.

A strain recording model: Analysis of transverse osteotomy fixation in small bones.
Orthopaedic Residents - National Meeting, Washington, D.C., May 1983.

Flexor origin syndrome: American Academy of Orthopaedic Surgeons, Atlanta, Georgia, February 1984.

Ulnar translation of the carpus. American Society for Surgery of the Hand Residents and Fellows Conference, Las Vegas, Nevada, January 20, 1985.

Anatomy of the wrist. American Society for Surgery of the Hand - Regional Review Course, Tampa, Florida, September 7, 1986.

Treatment of fractures and ligament injuries of the wrist. American Society for Surgery of the Hand - Regional Review Course, Tampa, Florida, September 7, 1986

Injuries and disorders of the upper extremities. Orthopaedic Nurses Patient Care Course, Tampa, Florida, October 8, 1986.

Ulnar translation of the carpus. American Academy of Orthopaedic Surgeons - Annual Meeting, January 27, 1987.

Nursing evaluation of upper extremity surgery patients following replantation.
Orthopaedic Nurses Care Course, Tampa, Florida, March 11, 1987.

Traumatic ulnar translation of the carpus. Mayo Alumni Association, Orlando, Florida, March 27, 1987.

Ulnar translation of the carpus. Florida Hand Society - Annual Meeting, Clearwater, Florida, May 22, 1987.

Ulnar translation of the carpus. Florida Orthopaedic Society, Orlando, Florida, May 23, 1987.

Open reduction of fractures of the upper extremity - implants, instruments, techniques and clinical examples. AO Course, Clearwater, Florida, June 13, 1987.

Percutaneous ulnar-radial pinning of displaced radial fractures. Academic Day, University of South Florida Department of Orthopaedic Surgery, Tampa, Florida, June 18, 1987.

Improved soft tissue coverage for 3.5 DCP fusion of the wrist. Third International Wrist Investigators, Workshop, Orlando, Florida, October 1987.

Advanced Imaging of the Wrist. (Quinn SF), Radiological Society of North America, Chicago, November 29-December 4, 1987.

Fixation of unstable distal radial fractures. Bay Pines VA Hospital Grand Rounds, St. Petersburg, Florida, March 31, 1988.

Digital subtraction wrist arthrographs - Evaluation of the multiple compartment technique. (Quinn, SF) Eleventh Annual Skeletal Symposium, Sun Valley, Idaho, February 19, 1988.

Ulnar-radial pinning of displaced radial fractures. Florida Hand Society Annual Meeting, West Palm Beach, Florida, June 3, 1988.

Cosmetic and functional results of carpal tunnel releases crossing the distal wrist crease - The antegrade approach. Florida Hand Society Annual Meeting, West Palm Beach, Florida, June 4, 1988.

Cosmetic and functional results of carpal tunnel releases crossing the distal wrist crease - The antegrade approach. Academic Day, University of South Florida Department of Orthopaedic Surgery, Tampa, Florida, June 16, 1988.

The pronation compression test - A new sign of carpal tunnel syndrome. Academic Day, University of South Florida Department of Orthopaedic Surgery, Tampa, Florida, June 16, 1988.

Digital subtraction wrist arthrographs - Evaluation of multiple compartment technique. (Belsole RJ) American Society for Surgery of the Hand Annual Meeting, Baltimore, Maryland, September 16, 1988.

Ulnar-radial pinning of displaced radial fractures. American Society for Surgery of the Hand Annual Meeting, Scientific Poster Exhibit, Baltimore, Maryland, September 16, 1988.

Functional and cosmetic results of carpal tunnel releases crossing the distal wrist crease - The antegrade approach. 43rd Annual American Society for Surgery of the Hand, Scientific Poster Presentation, Baltimore, Maryland, September 13, 1988.

Ulnar-radial percutaneous pinning of displaced distal radial fractures. Orthopaedic Trauma Association Annual Meeting, Dallas, Texas, October 29, 1988.

Dynamic compression plating of ulnar shortening osteotomies. "Wrist Investigator's Workshop", Tampa, Florida, November 2, 1988.

Closed pin fixation of distal radial fractures. "The Wrist, American Society for Surgery of the Hand, Tampa, Florida, November 3, 1988.

Difficult nonunions of the scaphoid. "Orthopaedics for the Primary Practitioner, Clearwater, Florida, November 5, 1988.

Fractures of the hand and wrist. "Orthopaedics for the Primary Practitioner, Clearwater, Florida, November 5, 1988.

Volar and dorsal wrist ganglions. "The wrist, American Society of Surgery of the Hand, Tampa, Florida, November 5, 1988.

Soft tissue masses in the hand and wrist. "Orthopaedics for the Primary Practitioner, Clearwater, Florida, November 12, 1988.

Colles' Fracture. Orthopaedic Trauma Conference, The Tampa General Hospital, Tampa, Florida, January 10, 1989.

Trans-ulnar percutaneous pinning of displaced distal radial fractures. 56th Annual Meeting, American Academy of Orthopaedics Surgeons, Scientific Poster Presentation, Las Vegas, Nevada, February 10, 1989.

Orthopaedic review for general surgery residents. University of South Florida, Tampa, Florida, February 20, 1989.

The pronator compression test: A new sign of carpal tunnel syndrome. Kiros Society for Hand Research First Annual Meeting, Snowbird, Utah, March 29, 1989.

Lunotriquetral compression wire arthrodesis. Wrist Investigator's Workshop, Paris, France, March 29, 1989.

Transulnar percutaneous pinning of displaced distal radial fractures. Symposium on the wrist. Paris, France, April 16, 1989.

The pronator compression test: A new provocative sign of carpal tunnel syndrome. Association of Bone and Joint Surgeons 41st Annual Meeting, Steamboat, Mississippi, May 15, 1989.

The pronator compression test: A new provocative sign of carpal tunnel syndrome. Florida Orthopaedic Society - Annual Meeting, Orlando, Florida, May 26, 1989.

Luno-triquetral compression wire arthrodesis. Florida Hand Society - Annual Meeting, Orlando, Florida, June 9, 1989.

Complications in hand surgery: Panel, Florida Hand Society - Annual Meeting, Orlando, Florida, June 10, 1989.

The pronator compression test: A new provocative sign of carpal tunnel syndrome. (Hoski), Academic Day, University of South Florida Department of Orthopaedic Surgery, Tampa, Florida, June 15, 1989.

Lunotriquetral compression wire arthrodesis. (Smith A), American Society for Surgery of the Hand 44th Annual Meeting. Residents and Fellows Conference. Seattle, Washington, September 12, 1989.

The pronator compression test: A new provocative sign of carpal tunnel syndrome. Scientific Poster Exhibit, American Society for Surgery of the Hand 44th Annual Meeting, Seattle, Washington, September 13, 1989.

The pronator compression test: A new provocative sign of carpal tunnel syndrome. Young Investigator's Panel, American Society for Surgery of the Hand 44th Annual Meeting, Seattle, Washington, September 13, 1989.

Transulnar pinning of displaced distal radial fractures. American Academy of Orthopaedic Surgeons 57th Annual Meeting, New Orleans, Louisiana, February 10, 1990.

Precision oblique ulnar shortening osteotomy - Abandonment of the transverse osteotomy. Kiroso Society for Hand Research. Second Annual Meeting. San Diego, California, April 20, 1990.

Transverse ulnar shortening osteotomies using a new compression device and specialized slotted plate. (Seth Gasser). Florida Orthopaedic Society 1990 Annual Meeting, Captiva, Florida, April 21, 1990.

Precision oblique ulnar shortening osteotomy: A clinical and biomechanical study. Wrist Investigator's meeting. New Port Beach, California, May 15, 1990.

Comparison of oblique and transverse ulnar shortening osteotomies. Science and Industry Exhibit. American Society for Surgery of the Hand - 45th Annual Meeting, Toronto, Canada, September 24-27, 1990.

Oblique vs. transverse ulnar shortening osteotomies - A clinical and biomechanical study. American Academy of Orthopaedic Surgeons 58th Annual Meeting, Anaheim, California, March 8, 1991.

The Four Centimeter Arthrotomy Exploration of the Wrist - An Alternative to Arthroscopy? A Prospective Correlation with Triple Injection Arthrograms. Florida Orthopaedic Society, Palm Beach, Florida, May 3-5, 1991.

The Four Centimeter Arthrotomy Exploration of the Wrist - An Alternative to Arthroscopy? A Prospective Correlation with Triple Injection Arthrograms. KIROSO Society for Hand Research. Third annual meeting. Florida Keys August 1, 1991.

The Discrepancy Between the Findings of the Four Centimeter Arthrotomy Exploration of the Wrist and Triple Injection Arthrograms. Seventh International Wrist Investigator's Workshop. Orlando, Florida

Radial Malunion Distraction Lengthening - What I Have Learned. International Wrist Investigators Meeting 2003, Chicago, IL. September 17, 2003

Hand and Wrist Injuries in Baseball. Professional Baseball Trainer's Association. Spring Meeting March 6, 2004.

Hand and Wrist Injuries in Baseball. Professional Baseball Trainer's Association. Spring Meeting March 12, 2005.

Medical Innovation Symposium American Society for Surgery of the Hand Annual Meeting 2005, San Antonio, Texas. September 23, 2005.

Techniques in Orthopedic Trauma- Ulnar Shortening Osteotomy Orthopedic Learning Center, Rosemont, Illinois. September 25, 2005.

Hand and Wrist Injuries in Baseball. Professional Baseball Trainer's Association. Spring Meeting March 4, 2006.

A Biomechanical Comparison of Titanium and Stainless Steel Low Profile Locking Ulnar Shortening Osteotomy Plates and Corresponding Locking Screws to the Traditional Non-Locking Stainless Steel Ulnar Shortening Plate. International Wrist Investigators Meeting 2006. Washington, D.C. September 5, 2006.

Hands on Demonstration of Low Profile Locking Ulnar Shortening System. American Society for Surgery of the Hand. Annual Meeting, Washington, D.C. September 8, 2006.

Bringing a Medical Product from Design to Market. Guest Lecture: University of Illinois Orthopedic Residency Program Grand Rounds. Chicago, Illinois. February 13, 2007.

A Biomechanical Comparison of Titanium and Stainless Steel Low Profile Locking Ulnar Shortening Osteotomy Plates and Corresponding Locking Screws to the Traditional Non Locking Stainless Steel Ulnar Shortening Plate. Florida Hand Society. Annual Meeting, Orlando, Florida April 20, 2007.

Locking Ulnar Shortening Osteotomy Plates and Corresponding Locking Screws to the Traditional Non Locking Stainless Steel Ulnar Shortening Plate. Florida Orthopedic Society. 2007 Scientific Annual Meeting. Orlando, Florida. May 18, 2007.

The Role of Ulnar Shortening in Ulnar Impaction Syndrome, Luno-triquetral tears, and mild Distal Ulnar Arthritis. Florida Orthopedic Society. 2007 Scientific Annual Meeting. Orlando, Florida. May 18, 2007.

Radial Malunion Reconstruction Florida Hand Society. Orlando, Florida. May 3, 2008.

3D Hand Surgery. University of South Florida Department of Orthopedics - Grand Rounds. August 8, 2008

Office Management Techniques From Large to Small: What Works for Me -Instructional Course Lecture. American Society For Surgery of the Hand Annual Meeting, September 18, 2008

Distal Ulnar Osteotomy Upper extremity workshop and symposium. Second Annual Meeting - Yale University and University of Connecticut. New Haven, CT. November 1, 2008.

Latta, L et al Rayhack, J.: Biomechanics of Ulnar Osteotomy Fixation Comparing 5 Designs of Plates and Screws (Poster ORS2009-2251) Orthopedic Research Society 55th Annual Meeting. Las Vegas, Nevada February 22-25, 2009

Ulnar Shortening and Radial Shortening for Kienbock's Disease. Orthopedic Learning Course American Academy of Orthopedic Surgeons Chicago, IL. May 2009.

Rayhack Osteotomy Systems- cadaveric presentation. Wrist and Elbow Symposium. Huntsville, AL. June 11, 2009.

Evaluation of instability problems of the distal forearm and carpus. University of South Florida Orthopedic Department Resident Teaching Conference, June 19, 2009.

Rayhack Osteotomy Systems- cadaveric presentation. Wrist and Elbow Symposium. Memphis, TN. July 24, 2009.

Rayhack Osteotomy Systems- cadaveric presentation. Wrist and Elbow Symposium.
San Diego, CA. October 15, 2009.

Sauve- Kapandji fusion in the Vaughn Jackson syndrome with multiple extensor tendon ruptures. Tampa Hand Club. Tampa, FL. March 18, 2010.

Stress fracture of the distal radius in an adolescent tennis player.
Tampa Hand Club. Tampa, FL September 30, 2010.

What elbow, wrist, and hand conditions require consultation by a specialist?
Community Lecture Series. St Joseph's Hospital North. Tampa, FL June 23, 2011.

What is the significance of calcium deposition in the soft tissues of the wrist and hand?
Tampa Hand Club. Florida Orthopedic Institute. Tampa, FL April 5, 2012.

Common Wrist and Hand Disorders.
St. Joseph's Hospital. Tampa, FL October 20, 2015

Ulnar nerve decompression at the elbow- Multiple options for the "same" problem
Florida Orthopedic Society Annual Scientific Meeting. The Vinoy Renaissance. St Petersburg, FL June 22, 2018.

Ulnar Styloid Non-unions. Florida Orthopedic Society Annual Scientific Meeting
Marriott Water Street Hotel. Tampa, FL May 14, 2021.

GRANTS:

BRSB Grant 5 507 RR 05749

Biomedical Research Support Grant Program Division of Research Resources National Institute of Health.

Research: A Strain Recording Model - Analysis of Transverse Osteotomy in Small Bones.

\$3,000 Completed 1981.

BASIC CPR CERTIFICATION:

Recertified: 12-14-2021

Valid through 12-14-2023
